

Percent of Individuals who filed and received Payment* on Claims in One or More of Seven Years by Industry CY98 - CY04 Total=990,708

Percentage outside the circles is % of total individuals who filed that # of claims.
 Percentage inside each concentric circle is % of individuals who filed that number of claims from that industry .

NOTES:
 Multiple claims from the same individual were not necessarily filed in consecutive years nor at the same time of year each time.
 This information does not represent seasonality.
